

MajorClarity is a career exploration platform that links classroom learning to post-secondary preparation through a highly personalized, student-driven academic and career planning system. MajorClarity merges counseling, career development initiatives, and CTE to inform students about their opportunities, and support them in building out a plan of study that is reflective of their individual strengths, abilities, interests, and long-term goals.

Here are just a few of the ways MajorClarity helps ensure all students are prepared for a successful post-secondary transition:

- ★ "Best fit" career matching that helps students identify career paths and occupations of interest, using "fit score" calculations based on a Personality Assessment, and self-reported career path compatibility ratings.
- ★ User-friendly, academic and CTE pathway-aligned course selection tools help students and families get the most out of the registration process - and academic experiences.
- ★ Relevant instructor-guided and independent learning opportunities that promote social-emotional learning, self-discovery, and career and workplace readiness,.
- ★ Robust post-secondary research and preparation tools give students easy access to the information they need to make meaningful decisions about life after graduation - whether that includes a 2-year or 4-year college, trade school, work-based learning, or scholarships - the Application Center and Resume Builder help keep students on track to meet their academic and career goals.

STUDENT ACCOUNT ACCESS

Go to platform.majorclarity.com & sign-in using the district-preferred login method.

- All students will use a district-assigned email address to access MajorClarity.

For assistance with student account access, please contact your school counselor. For technical assistance, email support@majorclarity.com.

For more information about the program, visit majorclarity.com & follow @majorclarity on Twitter, Instagram, and LinkedIn to stay connected!
